EXTENDED CURRICULUM PROGRAMME
2010-11
Term 1

Dear ISP Community,
Please find below all the activities ISP offers for the Secondary School students for Term 1 of the 2010-11 academic year. Some activities may continue throughout the year while others may be replaced by new ones. We hope many of our students will join in our after school activities and enjoy them! Students who join activities are expected to commit themselves for a minimum of seven weeks to facilitate attendance and individual achievements. The sign-up procedure will take place this week through Grade Heads.

Ms. Foucher

AMNESTY INTERNATIONAL

Amnesty International is a non-profit organization, which defends people whose human rights have been denied. As an extra-curricular club, students in grades 9-12 will have the chance to explore and try out the successful methods of this internationally-renowned organization. We will compare the methods of Amnesty International to those of other non-profit organizations that champion human rights and find a way to make a difference ourselves, as a group of concerned young citizens. Students will not be coerced into supporting one side of any political issue, and they will not be forced to officially join Amnesty International or to contribute anything financially. The politics and views of Amnesty International will be examined as objectively as possible in the context of a discussion about how this one group aims to help those in need. Students will be encouraged to stand up and speak out in defense of their own beliefs and on behalf of those who have no voice and are unfairly persecuted for their religion, race, sexuality or political beliefs. An emphasis will be made on finding the delicate balance between successfully gaining support for a cause, while respecting others' views, and the only doctrine championed will be a belief in the fundamental right of all people to dignity and decent treatment by others.

COSTUME DESIGN

Together with the stage set team, we're working on the visual aspect of the school production. The students will plan and design the costumes - customize existing pieces, create new ones and shop for missing items- with the help of a professional designer. This is an excellent CAS opportunity for a creatively minded team and a great way of discovering the back stage of a theatre production. Not to mention all the fame and the pleasure that comes from participating in an important school event. No sewing experience required.

This activity will take place on **Wednesdays**, 16:45-18:15

Location: **B301**

Students invited to join: **8-12**

Starting date: **Wednesday, September 15**

Supervisor to be contacted for further details:

Ms. Hanninen, mhanninen@isparis.edu

CRAFTY CRAFTS

This workshop will offer a few activities such as the conception of an octopus made of wool, sewing and some pearl activities.

Students invited to join: **Grades 6-8**

Starting date: **Wednesday, September 15**

Supervisor to be contacted for further details:

Ms. Leclerc, leclerc@isparis.edu

DRAMA CLUB

This is a school theatrical production that involves students from grades 6 to 8 and a large group of student musicians. This school production will be presented at the end of term 2 (exact date to be confirmed).

This activity will take place on **Tuesdays, 15:30-16:30 (Week 2 Only)**

Starting date: **Tuesday, September 14**

Location: **B201**

Students invited to join: **Grades 6 - 8**

Supervisors to be contacted for further details:

Ms. Hauke – bhauke@isparis.edu

ECO-SCHOOL

This year's theme: Food

Open to students across the school and a C/S or CAS opportunity, Eco-Ecole can be the catalyst for positive change right through the school community. We will be aiming to make a difference in how the school thinks about the environment and reducing the negative impact we have on it. We hope to raise awareness, build better links in the broader community and enhance the ideals of our caring community. With weekly meetings and action taken by students, this could be a great way to be more involved in school life and a real opportunity to make it even better.

This activity will take place on **Tuesdays, 12:00-13:00**

There will also be one committee meeting each month (dates to be confirmed).
Students will be expected to have a notepad to keep records of the meetings.

Location: **Room C103**

Students invited to join: **All grades**

Starting date: **Tuesday, September 14**

This activity will take place all year long.

Supervisor to be contacted for further details:

Mr. Francis – nfrancis@isparis.edu

THE EIFFEL RUN

Fancy a run? Come along on Thursday afternoons after school: De-stress, keep fit and socialize all at the same time!

Supervisors to be contacted for further details:

Ms. Self: rself@isparis.edu, Mr. Ryan: tryan@isparis.edu and

Ms. Foucher: mfoucher@isparis.edu

HUMANITARIAN PROJECT

The Namibia Project is an exciting opportunity for ISP students to get direct experience about life in developing countries. The idea originated in Ms. Pierre's geography class. Her students suggested that rather than read about developing countries in a text book, what ISP students should do to learn about them would be to organize a trip and go to one! This year marks the fifth time that Ms. Pierre is organizing a trip to Namibia, together with her students.

This activity will take place (all year long) on **Tuesdays, 12.00-13:00**

Location: **Room A 004**

Students invited to join: **Grades 9 - 11**

Starting date: **Tuesday, September 14**

Supervisor to be contacted for further details:

Ms. Lavalle : mlavalle@isparis.edu

Ms. Pierre: npierre@isparis.edu

ISP PODCAST

A podcast is like a radio show. However, instead of being broadcast live, a podcast is recorded and then distributed over the internet so that you can listen to it whenever you please. This brand new addition to the ECA calendar requires a team of anchors, writers, producers and technicians to plan, record, edit and 'broadcast' a regular podcast reporting on school life at ISP.

This activity will take place on **Fridays, 12:00 – 13:00**

Location: **Computer Lab** (B13, 2nd floor)

Students invited to join: **Grades 9 to 12**

This activity will take place all year long.

Supervisor to be contacted for further details:

Mr. Price – gprice@isparis.edu

LIFE DRAWING

This course allows students to discover and develop artistic techniques through an innovative approach to the tradition of drawing a live model.

This activity will take place on: **Thursdays, 16:45-18:45**

Location: **B301**

Students invited to join: **Grades 11-12**

Parental authorisation is required

Starting date: **Monday 28th September**

This activity will take place all year long.

Supervisor to be contacted for further details:

Ms. Hanninen – mhanninen@isparis.edu

LITERARY MAGAZINE

The Literary Magazine is an anthology of poems, short stories, and artwork by ISP students. The anthology will be published as a magazine that will be shared with the entire ISP community in the spring. We need student editors who will meet regularly

to gather submissions, develop criteria for written pieces, select poems and short stories, and edit the anthology. Students from ALL grades (6-12) needed!

This activity will take place on **Fridays, 12:00-13:00**

MATHS COMPETITIONS - Juniors

"Math is *really* fun and exciting."

We are scheduling The Fun Math Club for the **2010-2011** school year. The Fun Math Club will offer math enrichment. Students will participate in the ISMTF (International Schools Mathematics Teachers Foundation) Competition **for the second time** with individual & team events. The aim of this club is to develop creativity and problem solving abilities, discipline and self-confidence as students learn new mathematics. Problem solving (especially problem solving under pressure) is a valuable life skill and that skill is developed by math contests. A student is only eligible to participate in one of the ISMTF Competitions in any one year: Middle School (grade 6, 7 and 8), Junior (grade 9 and 10) or Senior (grade 11 and 12). **The middle school math competition is going to be held in Basel, the junior one in Brussels and the senior one in Warsaw.**

Preparation will take place on **Mondays, 12:00-13:00**

Location: **Room B104**

Students invited to join: Grades 9 and 10 (or anyone less than 16 years old)

Supervisor to be contacted for further details:

YEARBOOK CLUB

Yearbook is one of the most exciting ISP publications. Each year, a group of students put together a volume, which records the year's events, activities, friendships, experiences and memories. Students from Grades 9-12 are invited to join this club, and to learn about editing, photography, lay-out and marketing. Please note that the number of participants is limited to 20 active students, which means that we may need to go through a selection process.

All interested Grade 9-12 students are invited to the first meeting on Tuesday, September 14h, 15:30 – 16:30 at B301.

This activity will take place on:

Tuesdays, 15:30-16:30 (Week 1)
