May 17th

June 21st

The ISP Board of Trustees would like to invite you to an Open Session for 30 minutes at the start of each monthly Board meeting.

There are two open sessions:

- 18:30 for staff members
- 19:00 for members of the larger ISP community - parents and students.

The Open Sessions for staff and parents will only be held if the persons planning on attending inform the School by the Friday before the monthly Board meeting, with an indication of their specific interest so that the Board and the Administration might prepare a response.
