Please read carefully:

I hereby apply for admission of my child to the International School of Paris and enclose the application fee (as defined in the fee documentation for the academic year in question) to cover the cost of processing my child's application.

I understand that this application fee is non-refundable should my child not be admitted to the school or should I withdraw the application, and that sending in an application does not imply acceptance of my child to the school.

I understand that grade placement for a candidate is determined by the School Administration after evaluation of his/her complete application.

I have read and accepted the application procedure and fee schedule. If my child is accepted, I understand that I must return the Registration Contract (Contrat d'Inscription) and pay a Registration Deposit of € 1000 to reserve a place.

I confirm that the information provided in my child's application is accurate and that to the best of my knowledge no information has been withheld. I understand that failure to disclose relevant information at any point in the admissions process may lead to the withdrawal of an offer of admission or the exclusion of the student from ISP at any future date.

Medical Questionnaire

To be completed by parent/guardian(s) for applicants in all grades. This questionnaire also includes a form that must be completed by the child’s physician. **Please note that the Doctor’s Form must be dated as of 1 January or later for the upcoming school year.** Students in the Primary School will require a completed Doctor’s Form for each academic year; in Secondary School, an updated Doctor’s Form is required every two years. For a list of English-speaking physicians in the Ile-de-France region, please contact Admissions.

ISP has two full-time nurses on staff, who are available to help answer questions, as needed, before and throughout the academic year. These individuals can be reached at ispnurse@isparis.edu.

In the event of a serious accident or emergency, your child will be taken to the hospital. The school will immediately contact the parents, and any other designated emergency contact person as necessary.

If your child has a serious medical issue which requires specific management, an Individualized Health Plan (IHP) may need to be put in place. If you already have such a plan, please submit a copy with your application or your updated Doctor’s Form.

Please kindly note that French law requires all children to be vaccinated against diphtheria, tetanus and polio in their first year, with a mandatory booster one year later. From then on, a polio booster alone is required every 5 years until the age of 13. **A child may not attend school who has not been vaccinated for diphtheria, tetanus and polio.**
