Bus Service

Information & Conditions

Our bus service is for **Primary School and Middle School students** and covers parts of the 7th, 8th, 15th, 16th and 17th *arrondissements* in Paris, as well as some areas of Neuilly-sur-Seine and Boulogne. Bus routes are not published for security reasons.

We do not offer door-to-door service; children are picked up and dropped off at designated points as close as possible to their homes. The exact location of these points changes annually according to the locations of requesting families. The bus route will be finalised and communicated to parents during the first week of September. While every effort is made to keep to the scheduled times, the bus service is subject to traffic conditions, and therefore the times cannot be guaranteed. We aim to keep travel time to a minimum. Should the bus be late on any given day, please be patient and wait with your child in the morning until the bus arrives and wait at the bus stop to greet your child after school.

Please note that:

1. Requests can only be processed when your child is fully registered at the school for the 2022-23 academic year, and you have confirmed your up-to-date Paris address. Application for the bus service should be made at the time of registration or before the beginning of the school year. However, if space is available, families may apply for this service during the school year.
2. The annual fees for the bus service (**€ 5,550 per student**) are payable in Euros and must be paid before your child starts school.
3. In the event that for any reason the student leaves the school before the end of the academic year, the school shall not be liable for the refund of any part of the bus service fees.
4. The bus service covers pick up and drop off after school ends at 15:45; it **does not** include transportation following any after school care or ECAs in which you may choose to enrol your child.

If you would like to request the bus service, please complete the form below and return it to the attention of the **School Bus Coordinator**. The School Bus Coordinator will contact all families who have requested bus service in early September regarding the bus schedule and route. For any questions concerning the bus service, please contact us at: reception@isparis.edu

Children wishing to have an occasional ride with the bus (i.e. to visit a friend after school) may do so if space is available and permission has been granted ahead of time. A written request should be made to the School Bus Coordinator at least one day in advance.

Bus Guidelines

- Students should be on time for pick-up in order to respect the school schedule and the other bus riders.
- Students should be in the company of an adult while waiting for the morning bus.
- Students must be met at the bus stop in the afternoon by a parent/guardian.
- In the event that the parent/guardian is not at the bus stop in the afternoon, the student will not get off the bus. The bus driver will finish the route and return to the school with the student, who will wait there to be picked up.
- In the interest of safety, all students must be seated facing forward and wearing seat belts while the bus is moving.
- Food and drink are prohibited on the bus.
- On the school bus, the students are expected to behave in a responsible manner.
- We reserve the right to deny travel on the school bus should a student continually disrespect the guidelines for travel.
- Early Learner students will need to have completed their Stay and Play sessions and a potential settling in period of time before having authorisation to take the bus. This will be decided together in collaboration with the parents and the Vice Principal Wellbeing.
- On rare occasions, some new children benefit being brought and collected from school at the start of their time at ISP before using the bus service. This also may be recommended to parents by the Vice Principal Wellbeing in the best interests of the student for a calm and productive settling in period.
