

DIRection

Research Game Plan

Develop Questions

1. My research subject:

State subject area, for example: food waste, social justice, music and wellbeing, animal cruelty...

2. My brainstorming to find a research question:

How might I (do something) in order to (goal)? See www.thedirectionproject.com/research-tools/how-might-i-we-statements-research-problem-question

How might I _____ in order to _____ ?

How might I _____ in order to _____ ?

How might I _____ in order to _____ ?

How might I _____ in order to _____ ?

How might I _____ in order to _____ ?

3. My brainstorming for taking action:

Link actions to research question...

Direct action

Indirect action

Advocacy

4. Confirm my ideas for action:

Perform a needs analysis: www.thedirectionproject.com/research-tools/preparing-a-needs-analysis

5. My reflections on how my research question might change based on my needs analysis:
