It is our recommendation that applicants to Grade 11 and 12 demonstrate a B2 English level or higher in order to access the IBDP confidently. Non-native English speaking applicants, or those who have not attended an international English speaking school, must provide documented evidence of a B1 English level, with at least B1 achievement for all test sections (speaking, reading, writing and listening) as part of their application in order to be considered. We recommend international English assessments such as Cambridge B2 First for Schools, TOEFL, IELTS etc.
