

ISP Application Checklist

This is a checklist of items required for Early Years (Nursery, Pre-Kindergarten or Kindergarten) applications to the International School of Paris. Applications must be submitted online through the ISP OpenApply platform, <https://isparis.openapply.com/>. Please complete the ISP Application Form in OpenApply to begin the process – other application items can be added in your own time. The Admissions Team will inform families by email once an application is complete and ready for review.

- » All documents not written in English or French must be accompanied by an official translation.
- » Applications for students who receive additional support outside of school (academic/ emotional) should include all relevant documentation as part of their file. This will be reviewed confidentially by ISP's Learning Support team and/or Wellbeing team.

Please note that Early Years students must be fully and reliably toilet trained, and able to dress and feed themselves reasonably independently by the time they start at ISP.
