

ISP Application Checklist

Grade 6 - Grade 12

This is a checklist of items required for Grade 6 – Grade 12 applications to the International School of Paris. Applications must be submitted online through the ISP OpenApply platform, <https://isparis.openapply.com/>. Please complete the ISP Application Form in OpenApply to begin the process – other application items can be added in your own time. The Admissions Team will inform families by email once an application is complete and ready for review. The typical review time is 10 to 15 working days from the date of completion.

⚠ All documents not written in English or French must be accompanied by an official translation.

⚠ Applications for students who receive additional support (academic/ emotional) should include all relevant documentation as part of their file. This will be reviewed confidentially by ISP's Learning Support team and/or Wellbeing team.

⚠ **For Grade 11 and 12 Applicants Only:** *It is our recommendation that applicants to Grade 11 and 12 demonstrate a B2 English level or higher in order to access the IBDP confidently. Non-native English speaking applicants, or those who have not attended an international English-speaking school, must provide documented evidence of a B1 English level, with at least B1 achievement for all test sections (speaking, reading, writing and listening) as part of their application in order to be considered. We recommend international English assessments such as Cambridge B2 First for Schools, TOEFL, IELTS etc.*
