

ISP Application Checklist

This is a checklist of items required for Grade 1 – Grade 5 applications to the International School of Paris. Applications must be submitted online through the ISP OpenApply platform, <https://isparis.openapply.com/>. Please complete the ISP Application Form in OpenApply to begin the process – other application items can be added in your own time. The Admissions Team will inform families by email once an application is complete and ready for review.

- » All documents not written in English or French must be accompanied by an official translation.
- » Applications for students who receive additional support outside of school (academic/ emotional) should include all relevant documentation as part of their file. This will be reviewed confidentially by ISP's Learning Support team and/or Wellbeing team.
