

## ISP Application Checklist

This is a checklist of items required for Early Years (Nursery, Pre-Kindergarten or Kindergarten) applications to the International School of Paris. Applications must be submitted online through the ISP OpenApply platform, <https://isparis.openapply.com/>. Please complete the ISP Application Form in OpenApply to begin the process – other application items can be added in your own time. The Admissions team will inform families by email once an application is complete and ready for review.

- All documents not written in English or French must be accompanied by an official translation.
- Applications for students who receive additional support outside of school (academic/emotional) should include all relevant documentation as part of their file. This will be reviewed confidentially by ISP's Learning Support team and/or Wellbeing team.

**Please note that Early Years students must be fully and reliably toilet trained, and able to dress and feed themselves reasonably independently by the time they start at ISP.**
